

First Baptist Church, Blountville
In person service changes for the next weeks

Due to the increase of Covid-19 in our area, today (December 13th) will be our last in person service for the next weeks.

Beginning on Wednesday, January 13 at 6:30 p.m., the Pastor will broadcast a Bible Study entitled "What Jesus said about His return".

We will continue to live stream our service on Sunday morning with Sunday School to be added to the live stream in the next weeks.

If you have not given us your email address, please do so that we may use this method as one way to communicate with you.
